President, Sanitary Board,

Kolar Gold Field.

To

L. Krishna Rao, Esq.,

Secretary to the Government of His Highness

the Maharaja of Mysore, Revenue Department,

B a n g a l o r e.

Sir,

With reference to para 2 of Government Order No. 5412-3 L.B. 49-15-4 dated the 26th January 1916 calling for a report on or before 1st November 1916 as to the suitability or otherwise of the rates tentatively sanctioned in the said Government Order for the levy of Special Sanitary Cess in Robertsonpet town, I have the honour to state that the said rates are being levied from February 1916 according to the Government Order in question, and that no complaints have been received. The collection also has been easy thereby showing the suitability of the rates. Out of the demand of Rs. 513-0-0 for the year 1915-16 a sum of Rs. 364 was collected, leaving a balance of only Rs. 149 at the end of the year. In July 1916, a sum of Rs. 51 was collected out of the arrears, and it is on account of Plague in Robertsonpet and the consequent evacuation of houses that the remaining 98 Rs. has not yet been collected.

2. The Board have, at their last meeting held on the 20th October 1916, approved of the permanent adoption of the rates tentatively adopted, as no unsuitability has come to notice.

3. I have the honour, therefore, to request that the Board's proposal, to adopt permanently the rates now in force, may be approved and that the sanction of Government may be communicated at an early date.
